A Monthly Subscription Service Plan For Small And Medium Sized Companies

Our new affordable subscription service has been designed to provide a fixed monthly fee to meet your company's legal needs.

Quality, Affordable, Accessible Legal Services

With our legal services plan subscription there is no upfront retainer required and you will not receive a legal invoice with expensive hourly rates.

Get easily accessible and ongoing legal support on a monthly basis for your business from our partner-level lawyers!

Schedule an appointment with OJ Solicitors and you will receive prompt, professional legal consultation through a telephone call or video conference call.

This subscription ensures that our clients have the peace of mind knowing that their legal needs are met without their business incurring unexpected and expensive legal costs.

Our subscription plan provides peace of mind for small to medium- companies looking to grow their business. We have packaged our professional services into one monthly plan which comes at a fixed fee, saving our clients the surprise of having to pay separately for each unexpected legal issues their businesses may be facing.

We offer a new, affordable, refreshing approach to the legal industry*

How much will it cost?

Our plans starts from just £199 a month, and will provide your business with monthly access to top quality legal advice, from experienced solicitors, without breaking the bank.
